NOTES TO STATEMENT OF FINANCIAL CONDITION

1. Organization and Business Activities:

Bechtel Financing Services, LLC (the "Company") is a wholly owned subsidiary of Bechtel Enterprises, Inc. ("BEnINC"). The Company provides financial advisory services to BEnINC, associated companies and, to a minor extent, other parties. The Company is a broker-dealer registered with the Securities and Exchange Commission and neither maintains nor intends to maintain customer accounts; it neither engages nor intends to engage in the trading of securities.

As a limited liability company, the member's liability is limited to the amount reflected in the member's capital account.

2. Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the financial statements and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3. Significant Accounting Policies:

Cash

The Company maintains its cash in a money market mutual fund. The Company has not experienced any losses in such account, and management believes that the Company is not exposed to any significant credit risk on this cash account.

Revenue and Costs:

The Company recognizes revenue for its financial advisory services as it is earned. The Company incurred operating and administrative expenses which included expenses charged and reported to the Company by BEnINC and/or associated companies. Pursuant to a Continuing Services Agreement between the Company and BEnINC, BEnINC will pay a retainer fee to the Company amounting to the total operating and administrative costs incurred by the Company that exceed all other revenues earned by the Company. This retainer fee is recorded as revenue.

NOTES TO STATEMENT OF FINANCIAL CONDITION, Continued

4. Transactions with Associated Companies:

The Company has an agreement with an associated company whereby an associated company agrees to provide cash management services with respect to the Company's proportionate individual interest in the funds held and invested by the associated company.

Payables to associated companies of \$35,047 represent expenses paid by associated companies on behalf of the Company outstanding at December 31, 2016.

Substantially all of the Company's transactions including revenue and costs are not arm's length transactions as they are executed with its parent, BEnINC, and other associated companies. Consequently, the Company's statement of financial condition presented herein may be different from what would have been obtained if such transactions were executed on an arm's length basis with unrelated parties.

5. Net Capital Requirement:

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of \$273,507 which was \$268,507 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.1912 to 1.

6. Income Taxes and Limited Liability Company Fees:

Under current law, no federal or state income taxes are paid directly by limited liability companies. All items of income and expense of the Company are allocable to and reportable by its member in its respective income tax returns. Accordingly, no provision is made in the accompanying financial statements for federal or state income taxes.

As a limited liability company ("LLC"), the Company is subject to LLC fees which are reported under other expenses.

7. Credit Facilities:

At December 31, 2016, an associated company had various committed credit facilities, one of which is available for a combination of borrowing, financial letters of credit or performance letters of credit. The remaining facilities are available for performance letters of credit only. These facilities have been made available to the Company and other associated companies. There were no borrowings or letters of credit issued by the Company under these credit facilities at December 31, 2016. These credit facilities expire in 2021.

There were no letters of credit issued by the Company under these credit arrangements at December 31, 2016.

Under the associated company's credit agreements, the associated company is required to meet certain financial covenants. The associated company was in compliance with these covenants at December 31, 2016.
